## CareQuest Institute for Oral Health

CareQuest Institute for Oral Health is a national nonprofit championing a more equitable future where every person can reach their full potential through excellent health. We do this through our work in grantmaking, research, health improvement programs, policy and advocacy and education as well as our leadership in dental benefits, care delivery and innovation advancements. We collaborate with thought leaders, health care providers, patients and local, state and federal stakeholders, to accelerate oral health care transformation and create a system designed for everyone. To learn more, visit [carequest.org](https://carequest.org).

---

## Maryland Dental Action Coalition

The Maryland Dental Action Coalition (MDAC), the state's leading non-governmental oral health policy and advocacy organization, works to improve the oral health of all Marylanders through increased oral health promotion, disease prevention, education, advocacy, and access to oral health care. MDAC leads the development of the five-year Maryland Oral Health Plan and partners with individuals and organizations working to develop and implement initiatives to improve the oral health of all Marylanders. To learn more, visit [mdac.us](https://mdac.us).
